

Bogey with the Builders 2010

2010 State Golf Tournament Wildflower Golf Course Detroit Lakes, MN

Tuesday, July 20, 2010

Be a 2010 sponsor of the North Dakota Association of Builders' "Bogey With the Builders" State Golf Tournament! Sign up now and reserve your sponsorship for this annual statewide event. As a sponsor you may also send representatives to be involved on the course and meet the golfers. What an excellent opportunity to network!

The tourney will be held at the gorgeous Wildflower Golf Course in Detroit Lakes, Minnesota, with golfers participating from across the region.

As a sponsor, your company's name will be included on all tournament publicity, in all local association newsletters statewide, and in the NDAB publication, *Blueprint*. Your name will also appear in the tournament program, on tickets, signs, etc. based upon your participation level.

Sponsorship of this event will give your organization the attention of more than 1,800 building industry professionals across North Dakota!
