About Whitefish Mountain Resort:

For more than 60 years, Whitefish Mountain Resort has been America's favorite destination for good times, good people, and great snow. Rising above the historic railroad town of Whitefish, in beautiful northwest Montana, the resort has gained notoriety for its laid-back vibe, world-class skiing, and spectacular summer recreation. Boasting more than 3,000 acres of bowls, chutes, and glades, and more than 300 inches of Rocky Mountain snow, Whitefish's Big Mountain is the quintessential skier's mountain. Consistently ranked in the top 25 in SKI magazine's annual reader survey, it is just as well known for great value and a pleasant lack of lift lines as it is for friendly people and deep powder. Visit their website at www.skiwhitefish.com.

Full-service conference resort featuring restaurant, lounge with entertainment, pool, sauna, whirlpools and meeting facilities for up to 300 people. Located on a 15 km, full-service, cross-country ski area. Complimentary shuttle to and from The Big Mountain Ski Resort and to and from Amtrak. Cross-country skiing, snow-shoeing, and sleigh rides also available. Visit their website at www.montanafinest.com.
